ERBUD will build the third stage of the Port Popowice investment.

ERBUD S.A. signed a contract with Vantage Development S.A. for the construction of a multi-family residential building with commercial premises on the ground floor as part of the Port Popowice investment in Wrocław. The contract value is PLN 73.5 million net.

The contract provides for the construction of a residential building with a two-story underground garage. Under the contract, ERBUD will also prepare internal and external technical infrastructure as well as land development and utilities, including the so-called street furniture, green areas and communication system at the intersection of Białowieska and Popowicka Streets.

The ERBUD Group and the Vantage Development Group are long-term business partners. ERBUD is responsible for the construction of two previous stages of Port Popowice. In addition, the company cooperated with this investor in the implementation of such housing projects as Promenady Wrocławskie, Nowy Gaj, Dorzecze Legnicka or Legnicka 33 in Wrocław and Dom Saski in Warsaw. ERBUD also built the Promenady Zita office building in Wrocław for Vantage Development.

The ERBUD capital group, celebrating its 30th anniversary this year, is one of the largest Polish construction groups. It provides services in Poland and abroad, has many years of experience on the Polish market and in Western European countries. ERBUD specialises in building, road and industrial as well as energy construction. The ERBUD Group competes with international entities in the industry. Annually, it implements projects worth over PLN 2 billion. Since 2007, ERBUD S.A. has been listed on the Warsaw Stock Exchange.

The most prestigious projects carried out recently by the companies of the ERBUD Group include: Młociny Gallery in Warsaw, Koszyki Hall in Warsaw, Eurocentrum Office Complex and Royal Wilanów office buildings in Warsaw, the Invasive and Non-Invasive Medicine Centre of the Medical University of Gdańsk, the Southern Hospital in Warsaw, Lidl Distribution Centre in Stargard, Municipal Waste Incineration Plant in Konin, Construction of a boiler room with a WR25 boiler with accompanying infrastructure for FORTUM BYTOM S.A. Heat and Power Plant and Dobrcz/Mierki Photovoltaic Power Plant Complex.
