ERBUD will develop a chocolate factory

The construction tycoon never slows down and starts with the implementation of another contract. ERBUD's Toruń branch has just started with the expansion of a chocolate products plant in Tuchola in the Kujawsko-Pomorskie voivodship. The value of the contract amounts to PLN 31.5 million.

ERBUD, pursuant to the contract signed with Pomorskie Pralinki sp. z o.o., will expand the plant in Tuchola at 1 Usługowa Street. The works are scheduled to start on 19 January 2022 and to be completed on 30 November 2022.

This is another large contract executed by the Toruń branch of ERBUD.

In December last year, the company informed about signing two contracts: with Orpea Polska for the construction of the Senior Citizen's Home in Gdańsk with a net value of PLN 58.6 million and with the Lidl chain. In the town of Piorunów (Mazowieckie Voivodeship), the LIDL BŁONIE Distribution Centre will be built. The facility will be one of the most modern of its kind in the chain's European portfolio. The value of the signed contract was nearly PLN 300 million (ERBUD's largest contract in the last year's residential construction). Thus, the order backlog of the leading Polish construction group has exceeded PLN 3 billion. At the end of September 2021, the Group's backlog amounted to PLN 2.93 billion.

ERBUD boasts extensive experience in the construction of warehouse halls and industrial facilities. The largest contracts of the Group in this area include, among others: Jaworznicki Industrial and Technological Park in Jaworzno, production plant of Bosch company in Mirków or research and development centre for Unilever in Poznań.

The ERBUD Capital Group is the largest construction group in Poland, not belonging to international holdings. ERBUD has over 30 years of experience in the Polish market and in Western Europe, especially in the German market. The company specialises in volume, engineering and road, industrial and power engineering construction. It manages projects worth over PLN 3 billion a year. ERBUD S.A. has been listed on the Warsaw Stock Exchange since 2007. The most prestigious investments implemented recently by ERBUD Group companies include: Młociny Gallery, Koszyki Hall, Eurocentrum Office Complex and Royal Wilanów office buildings, Southern Hospital in Warsaw, Municipal Waste Incinerator in Konin, Centre for Invasive and Non-Invasive Medicine at the Medical University of Gdańsk, Lidl Distribution Centre in Stargard, construction of a Boiler Room with a WR25 boiler together with accompanying infrastructure for the FORTUM BYTOM S.A. Combined Heat

and Power Plant, and the Dobrcz/Mierki Photovoltaic Power Plant Complex. In 2021 ERBUD received the prestigious EMAS certificate, the ultimate EU award for environmental performance.
