PRESS RELEASE

Consortium with Erbud SA won a contract for flue gas ducts in Rybnik Power Station

A consortium involving ERBUD SA signed a contract for plant, construction, installation, start-up and commissioning of flue gas ducts at EDF Polska SA in Rybnik Power Station. The contract value of consortium amounts to PLN 60.8 million, of which the value of work to be executed by ERBUD SA as a consortium partner is PLN 21.94 million.

Under the agreement, Erbud will perform among others including a part of design, execute construction and installation works, and supply and install support structures for flue gas ducts with a completion date by December 2015.

The consortium leader is Energomontaż Północ Bełchatów Sp. z o.o.

This is another contract signed recently by the company with the power sector.
