

Warsaw, 2016/03/23

PRESS RELEASE

Road-engineering company PBDI SA, a subsidiary of Erbud, signed a contract for reconstruction of provincial road on the section Dąbki-Darłowo

Erbud SA, one of the leading construction companies in Poland, announced on 23 March that its subsidiary PBDI forming a consortium with WANT sp. o.o. concluded a contract for reconstruction of provincial road No. 203 on the section Dąbki-Darłowo. The total contract value is over PLN 25.5 m, of which PBDI has PLN 20.6 m. The project is due to be completed by June 2017. The West Pomeranian Voivodship is the Employer.

As at the end of 2015, the Group had a portfolio of orders in the road-engineering business worth PLN 92 m..

Erbud is one of the five largest construction companies on the Polish market. It provides services as general contractor for many business sectors: commercial and public building, housing, road-engineering and energy industry. So far it completed nearly 2 000 construction projects in the country and abroad.
