Warsaw, 4 August 2016

ERBUD S.A. signed a contract for construction of apartments valued at PLN 32.2 m.

The ERBUD GROUP, one of the top five building groups in Poland, signed a contract for construction of a residential complex 'Włodarzewska 30'. As part of the contract ERBUD will also build an underground car park, retail space on the ground level of the facility and on-site service infrastructure. Completion of execution of the contract is scheduled to 15 May 2018.

The Investor of the project is Dom Development S.A. "Włodarzewska 30" apartments will be built at Sadurka Street in Warsaw.

Dom Development is one of the regular customers of ERBUD S.A. The companies have executed together, among others, projects such as: Fort Bema housing estate; multifamily residential buildings ADRIA, Willa Lindego, Rezydencja Mokotów, Osiedle Olbrachata.

The residential complex "Włodarzewska 30" is another housing project in ERBUD's portfolio. Recently the company has also signed contracts for construction of residential complexes: "Stara Cegielnia" in Poznań, "Grójecka 216" in Warsaw as well as for the next phases of residential projects such as "Wrocławskie Promenady" in Wrocław and "Bliski Tarchomin" in Warsaw.

The ERBUD GROUP is one of the most dynamically developing Polish building groups. It provides services for many business sectors: commercial and public building, housing, road-engineering and energy industry in the country and abroad. Nowadays, thanks to many years of experience gained on the markets of Western Europe, the Group competes with international construction companies. The Group annually completes projects that amount to bln PLN 2. The most high-end projects that have been recently erected are: Eurocentrum Office Complex in Warsaw, Royal Wilanów office building, The MUG Invasive Medicine Centre in Gdańsk, Magnolia Park Shopping Centre and Przylądek Nadziei Clinic in Wrocław.
