The ERBUD GROUP is one of the most dynamically developing Polish building groups. It provides services for many business sectors: commercial and public building, housing, road-engineering and energy industry in the country and abroad. Nowadays, thanks to many years of experience gained on the markets of Western Europe, the Group competes with international construction companies. The Group annually completes projects that amount to bln PLN 2. The most high-end projects that have been recently erected are: Eurocentrum Office Complex in Warsaw, Royal Wilanów office building, The MUG Invasive Medicine Centre in Gdańsk, Magnolia Park Shopping Centre and Przylądek Nadziei Clinic in Wrocław.
