

Warsaw, 2017/05/15

## **ERBUD S.A. has a new contract for a Hospital in Dębica**

**Ebud SA, one of the five largest construction companies in Poland, acting as General Contractor, will build and alternate the Hospital in Dębica for over PLN 15 million.**

Zespół Opieki Zdrowotnej Dębica is the investor. This is another contract of the Erbud Group carried out for the healthcare. In its portfolio Erbud S.A. has such projects as Warsaw Southern Hospital, Hospital in Jarosław (both ongoing) or the Invasive Medicine Centre of the Medical University of Gdańsk and "Przylądek Nadziei" Hospital in Wrocław.

Under the general construction contract our company will perform construction works together with the alternation of existing building. The scope of work also includes the conversion to rooms for central sterilization, bed disinfection station and operating block, as well as construction of a helipad elevated above the building roof.

The value of the contract is PLN 15.26m. The project is due for completion on 15 April 2019.
