**GWl GmbH from the ERBUD Group will build the "Reuter C Ersatz" CHP plant in Berlin.  
The contract awarded jointly with the German partner amounts to EUR 17.6m, i.e. PLN 74.4m.**

**GWl Bauunternehmung GmbH, a company from the ERBUD Group, has signed another contract to complete a large project in Germany. Together with Vattenfall Europe Wärme AG, GWl will carry out construction works for the Berlin combined heat and power station. This is another important contract on the German market signed by the ERBUD Group in recent years.**

The ERBUD Group, one of the five largest construction holdings in Poland, strengthens its position on the German market. The contract for the performance of such an important project in the German capital confirms that the development vision of the ERBUD Group in Western Europe is being implemented.

The works under the contract with value of EUR 8.8m, i.e. PLN 37.2 fall to GWl.  
The completion is scheduled for December 2018.
