

26 April 2018

**ERBUD Rzeszów will extend the Teaching and Clinical Centre  
at the Medical University of Łódź**

**ERBUD Rzeszów Sp. z o.o., a subsidiary of ERBUD S.A., signed in a consortium with Fast Group Sp. z o.o. a contract with the Medical University of Łódź for the construction works as part of the second stage of the extension of the Teaching and Clinical Centre. The contract value amounts PLN 25.1 million, of which PLN 15.8 million is attributable to ERBUD Rzeszów.**

The consortium will be responsible for the construction of the Specialist Clinic and Server Room in the A2 building of the Teaching and Clinical Centre located in Łódź at 251 Pomorska Street. Building works will commence in May 2018. The deadline for completion is set for 20 February 2019.

The second phase of the extension of the Teaching and Clinical Centre will allow 10 wards to be opened in the hospital, including oncology, palliative medicine, neurology, oncological gynaecology and radiotherapy.

ERBUD Rzeszów Sp. z o.o. was established in 2001 and is a 79 percent subsidiary of ERBUD S.A. It acts as general contractor and provides design works. The company specializes in the modernization and construction of new health care facilities and urban infrastructure.

\* \* \*
