ERBUD S.A. erects a production facility for Sanok Rubber Company

ERBUD S.A. entered into a contract to build a production and warehouse building in Sanok. The value of the contract with Sanok Rubber Company S. A. amounts to PLN 49.9 million.

The contract provides for the construction of a production and warehouse building with office and welfare area, as well as accompanying facilities with plant and systems. There will be five automatic production lines in the new erected building. ERBUD will also be responsible for the in-building and on-site infrastructure.

The completion is scheduled for January 2020.

* * *

The ERBUD Group is one of the largest construction groups in Poland. It exists since 1990. It provides services at home and abroad, and has many years of experience gained on the Polish market as well as in Western European countries. The core business is construction of buildings, road-engineering and construction for industry and power sector. The ERBUD Group competes with the international branch players in terms of quality and meeting deadlines. Yearly, it carries out projects worth about PLN 2 billion. Since 2007, ERBUD S.A. is listed on the Warsaw Stock Exchange.

The most prestigious projects completed recently by the member companies of the Group are: Hala Koszyki Covered Market, Eurocentrum Office Complex and Royal Wilanów in Warsaw; Invasive Medicine Centre of the Medical University of Gdańsk; Magnolia Park and "Przylądek Nadziei" Hospital in Wrocław.
