ERBUD S.A. – a contractor for residential investment in Poznań

ERBUD S.A. and Bouygues Immobilier Polska Sp. z o.o. entered into an agreement for the implementation by the former of two residential buildings, which are part of the Soleil de Malta investment at Milczańska Street in Poznań. The contract value is PLN 83.1 million.

The agreement includes the construction of a complex of two multi-family residential buildings with commercial premises on the ground floor and an underground garage, along with the necessary technical infrastructure.

In both six-storey buildings there will be a total of 318 apartments.

The contract amounts to PLN 83.1 million net. The completion of the implementation was established in the agreement for July 2021.

ERBUD S.A. and Bouygues Immobilier Polska Sp. z o.o. are long-standing business partners. Soleil de Malta is not the first project of these two entities. In the past, they jointly implemented, among others Ogrody Kabackie estate at Stryjeńskich Street in Warsaw or the Épique residential building at Chechowa Street at Warsaw's Bielany District.

ERBUD Capital Group is one of the largest Polish construction groups. It was founded in 1990. It provides services in Poland and abroad, has many years of experience on the Polish market as well as in Western European countries. It specializes in large-size structures, engineering and road, industrial and energy construction. ERBUD Group competes with international players in the industry. Annually, it implements projects worth approximately PLN 2 billion. Since 2007, ERBUD S.A. has been listed on the Warsaw Stock Exchange.

The most prestigious investments carried out recently by the ERBUD Group companies include: Galeria Młociny, Hala Koszyki, Eurocentrum Office Complex and Royal Wilanów office buildings, as well as the Southern Hospital in Warsaw; Center of Invasive Medicine of the Medical Academy in Gdańsk; Galeria Magnolia and Przylądek Nadziei clinic in Wrocław; Municipal Waste Incineration Plant in Konin; heat plant in Heat and Power Plant Miechowice, as well as Dobrcz / Mierki Photovoltaic Power Plant Group.
